Lateef All Cap GARP Equity Strategy – PSN Top Guns Performer

---

Lateef is proud to announce that they have been named the #1 All-Cap manager of the decade and are in the top 10 of all US Equity managers of the decade, based on 10 year portfolio gross returns through 12/31/09 by the PSN Database. There are more than 2,000 investment managers in the PSN Database, which covers more than 12,000 investment products. This search was comprised of managers/products with at least a 10 year track record and included 704 firms with 1695 products in the PSN US Equity Universe and 189 firms with 241 products in PSN's All Cap Universe.

Registered IIS/PSN users can view the document at [www.informais.com](http://www.informais.com) under the PSN Top Guns link on the left-hand side of the page. Lateef continues to be encouraged by the growth potential of our portfolio of high quality companies and believe there is still a 30% upside based on current valuations.
